

2017-18 IMPACT REPORT

BOYS & GIRLS CLUBS
OF THE TENNESSEE VALLEY

NOT JUST A BUILDING,
**A PLACE
TO BECOME...**

THANKS TO YOU, BOYS & GIRLS CLUBS OF THE TENNESSEE VALLEY CELEBRATED 75 YEARS OF SERVICE IN 2018 AND SET THE STAGE FOR THE NEXT 75 YEARS AND BEYOND.

Boys & Girls Clubs of the Tennessee Valley was founded in downtown Knoxville in 1943. Today, our organization serves 7,500 youth annually at 17 Clubs in four counties.

Thanks to the support of our community, we have an unmatched history of supporting area youth through unrivaled programs and services, and we are setting the stage to continue this support for the next 75 years and beyond. We truly provide our Club members with A PLACE TO BECOME.

I've had a strong passion for the Boys & Girls Clubs of the Tennessee Valley for many years. It has been an honor to serve as the President of the Board for such an amazing institution. I'm very proud of the work we do every day for underserved kids and teens in our community, and it's all possible because of the volunteers and supporters of this organization.

Thank you for caring!

SOCIAL & EMOTIONAL WELLNESS

A selection of programs that intentionally address the effects of Adverse Childhood Experiences (ACEs) on our members through staff training, community connections, member and family interventions, and referrals. Programs utilize the support of several bachelor and master level social work interns annually to implement the evidence-based strategies determined necessary by several points of data, including the Holistic Student Assessment that gathers the resilient voice of our members. The team works closely with the Tennessee Commission on Children and Youth, Tennessee Suicide Prevention Network, PEAR Institute at Harvard, Boys & Girls Clubs of America, and many local youth serving organizations and collaboratives to support the social and emotional well-being of our BGCTNV community.

- **300 Club members were provided services** through small group counseling or one-on-one counseling and guidance from our LCSW and MSW staff and social work interns.
- The Social work team documented over **200 mentoring or Solution Focused Brief Treatment sessions**, as well as an additional 600 one-time individual meetings in 2017.

2018 Highlights:

- Summer Reading Program, funded and conducted by Tellico Village Library, focused on 1st through 4th grade members during the summer months to improve and maintain their reading skills.
- Our members created original songs for our Anti-Bullying Club Campaign. The contest was won by a 4th grade member for her original rap, recorded in the Aaron Douglas Music Room.
- The Pickle Ball Program, sponsored by Good Neighbors Shoppe, partners an adult with an older Club member to learn and play a lifetime sport. The program culminated with members and their partners participating in a competitive tournament.
- In a summer partnership with Joy of Music, 30 of our members participated in a six week, Disney music themed camp and showcase. Parents enjoyed members singing and performing their showcase at our Club.
- Our Lenoir City Club is unique in that we have a 20' wide by 30' tall climbing wall. Our climbing wall program has instilled both climbing skills and confidence to countless members.

NORTH ANDERSON COUNTY

2018 Events:

- Benefactor Banquet

2018 Highlights:

- Benefactor Banquet honored Lt. Gov. Randy McNally at the DoubleTree Hotel in Oak Ridge. It raised the second highest amount of unrestricted funds in the eight years of the event.
- Members planted the first community garden funded by United Way of Anderson County on Main Street Baptist Church property. Members were mentored by Main Street Baptist Church members on how to raise and maintain a garden. The garden yielded beans, corn, cucumbers, peppers, squash, zucchini, okra, potatoes, tomatoes, pumpkins, watermelon, and peas. These vegetables were distributed to the community through Main Street Baptist Church's food pantry.
- The 2nd Annual "Wheels for Kids" Charles incentive program gave away over 50 bicycles and 10 athletic balls. This is an incentive program that promotes kids in the community to join the Club, have 75% Club attendance, have 95% school attendance, have good behavior at school and the Club, and to maintain a "C" grade point average. At the end of the school year, those members that met all criteria received a new bike or ball, had a pizza party, and celebrated with parents.
- United Way of Anderson County awarded BGCNAC funding to purchase a new mobile computer lab. The school computer labs were removed due to every child in Anderson County schools receiving a Chromebook. This left BGCNAC without computer access. Thanks to the United Way, BGCNAC now has 15 Chromebooks.
- Coal Creek Company continued with the 3rd annual Bigfoot Blast at Windrock Park. They included a 10K trail run with the original 5K. This yielded the largest revenue for the event. All profits benefited BGCNAC.
