Independent Auditors' Report

To the Board of Directors Boys & Girls Clubs of the Tennessee Valley Knoxville, Tennessee

Report on the Financial Statements

We have audited the accompanying financial statements of the Boys & Girls Clubs of the Tennessee Valley (a nonprofit organization), which comprise the statements of financial position as of June 30, 2019 and 2018, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Boys & Girls Clubs of the Tennessee Valley as of June 30, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying information included on page 22 is presented for purposes of additional analysis and is not a required part of the financial statements. The accompanying schedule of expenditures of federal and state awards included on pages 23 and 24, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is also not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 25, 2020, on our consideration of the Boys & Girls Clubs of the Tennessee Valley's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Boys & Girls Club of the Tennessee Valley's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Boys & Girls Clubs of the Tennessee Valley's internal control over financial reporting and compliance.

(1) Nature of Activities and Significant Accounting Policies

(a) Nature of Activities

The Boys & Girls Clubs of the Tennessee Valley (the Organization) is a nonprofit corporation that provides services based on principles of behavioral guidance which will promote health, social education, vocational, character and leadership development of their membership.

(b) <u>Basis of Presentation</u>

Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

<u>Net assets without donor restrictions</u> - Net assets that are not subject to donor-imposed stipulations.

<u>Net assets with donor restrictions</u> - Net assets subject to grantor or donorimposed stipulations that may or will be met, either by actions of the Organization and/or the passage of time. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

(c) Promises to Give

Contributions are recognized when a donor makes a written promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions. Promises to give that extend beyond one year from the end of the fiscal year are recorded at their estimated present values, discounted at 6%.

(d) Cash and Cash Equivalents

For purposes of the statements of cash flows, the Organization considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

(e) Accounts Receivable

Accounts receivable primarily consists of the following: (1) grants receivable – routine revenues receivable from federal, state and local governments; (2) fee vouchers receivable – revenues from the Department of Human Services for child care programs at Boys & Girls Club Centers in order to help with the support to allow families to work and/or attend school while promoting child physical, emotional, educational and social development; and (3) other receivables – primarily made up of revenues due from the Boys & Girls Clubs in Tennessee and the Tennessee Alliance of Boys & Girls Clubs, Inc. All of these receivables are considered fully collectible. Therefore, an allowance for uncollectible accounts is not considered necessary.

(1) Nature of Activities and Significant Accounting Policies (continued)

(f) Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the Statement of Financial Position. Unrealized gains and losses are included in the statement of activities.

(g) Property, Equipment and Depreciation

Property and equipment in excess of \$500 and all expenditures for repairs, maintenance, renewals and betterments that materially prolong the useful lives of assets are capitalized at cost. Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as support without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted donor support. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies net assets with donor restrictions to net assets without donor restrictions at that time. Depreciation expense for the years ended June 30, 2019 and 2018, was \$703,802 and \$690,980, respectively, computed using the straight-line and declining balance methods over the estimated useful lives of the assets, which range from five to thirty-nine years.

(h) Compensated Absences

The Organization's policy concerning vacations allows for up to 40 hours of vacation time to roll over to the following year. Accrued compensated absences at June 30, 2019 and 2018 of \$114,292 and \$108,663, respectively, are included in accrued expenses.

(i) Functional Allocation of Expenses

The costs of providing the various program services have been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services.

(j) <u>Donated Services</u>

The Organization receives significant donated services from a substantial number of unpaid volunteers who assist the Organization in many of its activities. No amounts have been recognized in the statement of activities for donated services because the criteria for recognition under Statement of Financial Accounting Standards have not been satisfied with the exception of accounting services donated in 2019.

June 30, 2019 and 2018

(1) Nature of Activities and Significant Accounting Policies (continued)

(k) Income Taxes

The Organization is exempt from federal income tax under Internal Revenue Code Section 501(c)(3) and the Internal Revenue Service has determined that the Organization is not a private foundation under Internal Revenue Code Section 509(a). There were no unrecognized tax benefits identified or recorded as liabilities for the fiscal year 2019 and 2018.

The Organization's form 990, *Return of Organization Exempt from Income Tax*, for the years 2016, 2017, 2018 and 2019 are subject to examination by the Internal Revenue Service, generally for three years after they are filed.

(1) <u>Use of Estimates</u>

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

(m) Recently Adopted Accounting Standard and Change in Accounting Principle

During fiscal year 2019, the Organization adopted Accounting Standards Update (ASU) 2016-14, *Presentation of Financial Statements of Not-for-Profit Entities*, which was issued by the Financial Accounting Standards Board (FASB) in August 2016. ASU 2016-14 changed net asset classifications to present two classes of net assets, *net assets with donor restrictions* and *net assets without donor restrictions*. It also requires certain additional disclosures concerning liquidity and availability of resources.

Total net assets did not change as a result of the adoption of this ASU. As originally stated prior to adoption of the ASU, net assets as of June 30, 2018, were classified as follows: unrestricted net assets totaled \$5,857,758 and temporarily restricted net assets totaled \$6,791,329 for a total net asset balance of \$12,649,087. After adoption of the ASU net assets were restated as: net assets without donor restrictions of \$5,857,758 and net assets with donor restrictions of \$6,791,329 for a total net asset balance of \$12,649,087.

The FASB has issued the following recent pronouncements each with effective dates for fiscal years "beginning" as noted. Management is evaluating the potential impact for each of these pronouncements for its future financial statement presentations.

ASU 2014-09- Revenues form Contracts and Customers – after December 15, 2018

ASU 2016-01 – Financial Instruments – Overall – after December 15, 2018

ASU 2016-02 – *Leases* – after December 15, 2019

June 30, 2019 and 2018

(2) Liquidity and Availability of Resources

The Organization consistently reviews its net asset balances with and without donor restrictions to ensure appropriate availability of assets to meet obligations as they come due. Therefore, financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the balance sheet date, comprise the following:

Financial assets at year end:	2019	2018
Cash and cash equivalents	\$ 163,148	188,474
Accounts receivable - government grants	580,691	530,171
Accounts receivable - fee vouchers	50,042	59,973
Accounts receivable - special events and other	39,714	122,126
Note receivable - current portion	-	1,852
Unconditional promises to give	7,291,942	5,464,649
	8,125,537	6,367,245
Donor imposed restrictions	(7,291,942)	(5,464,649)
Net financial assets after donor-imposed restrictions	\$ 833,595	902,596

The Organization's primary revenue sources *not* subject to donor restrictions are from state and federal grants, contributions, day care fees, annual campaigns, and annual fundraising events. The Organization's primary revenue sources with donor restrictions are from donations related to the capital campaign to raise money for debt reduction. The Organization has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations become due. As noted in the table above, financial assets *with* donor-imposed restrictions are unavailable for general expenditures within one year of the statement of financial position date.

As of June 30, 2019, the Organization had approximately \$1,858,000 of cash and cash equivalents and \$114,000 of investments with donor-imposed restrictions along with approximately \$1,370,000 cash and investments in board designated funds that are subject to restrictions that make them unavailable for general expenditures within one year of the statement of financial position date. As described in Note 14, the Organization also has access to a line of credit that is available for general operations.

(3) Concentration of Credit Risk for Deposits Held in Bank

The Organization's bank deposits consist of various checking and money market accounts. At June 30, 2019 and June 30, 2018, the bank deposits exceeded Federal Deposit Insurance Corporation insurance limits by \$1,345,958 and \$745,058, respectively.

June 30, 2019 and 2018

(4) Net Assets with Donor Restrictions

Substantially all of the restrictions on net assets at June 30, 2019 and 2018, relate to funds raised through capital campaigns and the Organization's continuing endowment campaign. The newest capital campaign, which was approved in December 2017, was to raise \$10,000,000 for debt reduction. The previous campaign, which began in 2014, was to provide funds for a new building, technology upgrades and operations. Cash and promises to give raised through capital campaigns are restricted for campaign objectives until payments are made for the capital objectives. Interest earned on the investment of such support is restricted.

At June 30, 2019 and 2018, net assets with donor restrictions consisted of the following:

	2019	2018

(5) Functional Allocation Expenses

The costs of providing the various programs and supporting services have been summarized on a functional basis in the statement of activities. Expenses are charged directly to program, fund-raising, or management categories based on specific identification or management's allocation, based on expenditures and assessment of time and effort devoted to the respective functions. During the years ended June 30, 2019 and 2018, the Organization incurred no joint costs involving fundraising appeals.

(6) Fair Value Measurements

The Organization's investments are reported at fair value in the accompanying statements of financial position. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

June 30, 2019 and 2018

(6) Fair Value Measurements (continued)

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. Definitions of these inputs are as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company has the ability to access at the measurement date.
- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 inputs are unobservable inputs for the asset or liability.

The Organization uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Organization measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. When no level 1 inputs are available the Organization utilizes Level 2 inputs or Level 3 inputs. No Level 2 or Level 3 inputs were utilized in 2019 or 2018.

Investments at June 30, 2019 and 2018, are as follows:

	_		2019		2018			
			Fair Value	Unrealized Gains		Fair Value	Unrealized Gains	
	_	Cost	(Level 1 Inputs)	(Losses)	Cost	(Level 1 Inputs)	(Losses)

(7) Pension Plan

Effective October 1, 2009, the Organization's money purchase plan was amended to become a 401(k) plan. The amended plan allows eligible employees to make contributions of up to the maximum dollar limit which is set by law (\$19,000 for 2019 and \$18,500 for 2018). Employees who will attain age 50 before the end of the calendar year may elect to defer additional "catch-up" contributions up to the maximum dollar limit which is set by law (\$6,000 for 2019 and 2018). The amended plan does not require an employer contribution. Effective November 15, 2013, the plan was restated to allow participants to borrow from their fund accounts. The maximum number of loans outstanding at any one time by a participant is one. Pension contributions made for each participant represent a percentage of the participant's annual compensation. Pension expense for the years ended June 30, 2019 and 2018 was \$211,129 and \$200,087, respectively, which included a plan administration fee of \$5,550 and \$6,460, respectively.

Donated materials, supplies and services are reflected as contributions in the accompanying statements at their estimated values at the date of receipt. Contributions of services are recognized in the financial statements if the services enhance or create nonfinancial assets or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation.

The following is a list of non-cash donations valued at greater than \$30,000 by the Organization that are included within in-kind contributions:

The agreement provides that the Organization will manage the administrative and operational services for the Boys & Girls Clubs in Tennessee and the Tennessee Alliance of Boys & Girls Clubs, Inc., and bill on a quarterly basis for all costs incurred on behalf of the Tennessee Alliance of Boys & Girls Clubs, Inc. and the Boys & Girls Clubs in Tennessee. In addition, a quarterly contract fee is to be paid to the Organization in the amount of \$40,028. Reimbursements of expenses received under this agreement for the year ended June 30, 2019, totaled \$80,056.

(18) Endowment Funds

Without Donor Restrictions – Board Designated

The Organization's Board of Directors had designated certain cash and investments as a general endowment. This endowment is not donor-restricted and therefore is reported as net assets without donor restrictions. The investment objectives are (1) to achieve a total annual return after expenses of 8-9% and (2) to achieve the highest level of income without undue risk and consistent with the need for long-term capital appreciation. At least annually, the Organization has the right to withdraw up to 4.5% of the average of the last three years' June 30th balances. If all isn't withdrawn it is carried forward to future years.

Changes in board designated endowment funds for the years ended June 30, 2019 and 2018, were as follows:

	2019	2018

Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

To the Board of Directors Boys & Girls Clubs of the Tennessee Valley Knoxville, Tennessee

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Boys & Girls Clubs of the Tennessee Valley (a nonprofit organization), which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated February 25, 2020.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Boys & Girls Clubs of the Tennessee Valley's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Boys & Girls Clubs of the Tennessee Valley's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Boys & Girls Clubs of the Tennessee Valley's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

<u>Independent Auditors' Report on Compliance for Each Major Program and on</u> <u>Internal Control over Compliance Required by the Uniform Guidance</u>

To the Board of Directors Boys & Girls Clubs of the Tennessee Valley Knoxville, Tennessee

Report on Compliance for Each Major Federal Program

We have audited the Boys & Girls Clubs of the Tennessee Valley's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Boys & Girls Clubs of the Tennessee Valley's major federal programs for the year ended June 30, 2019. Boys & Girls Clubs of the Tennessee Valley's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the Boys & Girls Clubs of the Tennessee Valley's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Boys & Girls Clubs of the Tennessee Valley's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Boys & Girls Clubs of the Tennessee Valley's compliance.

Opinion on Each Major Federal Program

In our opinion, Boys & Girls Clubs of the Tennessee Valley complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2019.

Report on Internal Control over Compliance

Management of the Boys & Girls Clubs of the Tennessee Valley is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Boys & Girls Clubs of the Tennessee Valley's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Boys & Girls Clubs of the Tennessee Valley's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
